## PEACE OR WAR IN THE BALANCE

### WILSON DETERMINED TO HAVE CONSTITUTIONALISTS RECOGNIZED

### HUERTA'S MEN, AFTER DECLARING THEY WILL NEVER YIELD, SEEM INCLINED TO GIVE WAY

Niagara Falls, June 20.—Unless unexpected developments cause a sudden change the Mexican mediation conferences will terminate within the next twelve hours. It is reported from Washington that President Wilson has rejected the plea of the South American powers, and the mediators are preparing today to pack up and leave.

Dispatches state that the American government has refused to consider a compromise of its demand for a constitutionalist provisional president of Mexico.

A dispatch from Mexico City states that the foreign minister declared that negotiations would be resumed Monday, but Huerta delegates showed no signs of making concessions.

The final conference of the mediators, American and Mexican delegates will be held this afternoon, at which it is expected final dissolution of the conference will be voted.

### LOOKING FOR A SOFT PLACE TO FALL

Niagara Falls, June 20.—Hope for a successful conclusion of the mediation conference was revived this afternoon. There seems a chance for settlement through a dignified surrender of the Huerta delegates. They said yesterday that they had rejected the American plan "without even consulting" their government. Now that they have consulted their government, there is a possibility that the Mexicans may have changed their position. The American delegates seem optimistic.

## CARRANZA IS NO LONGER FIRST CHIEF

Vast Majority of the Constitutionalists Resolved to Follow Villa

Laredo, Tex., June 20.—Fifteen generals of the constitutionalist army, commanding a combined force estimated at thirty thousand men, have renounced General Carranza as "First Chief" of the constitutionalist movement in a note sent to his headquarters at the time General Villa resigned. Villa, however, did not sign the communication.

The communication informed Gen. Carranza that the generals would continue to fight against Huerta, but would hold themselves subject only to General Villa's orders.

## IT IS NOW PRESIDENT ANGELES

### HE IS VILLA'S MAN FOR PRESIDENT, BUT CARRANZA WILL PUT UP A FIGHT

Niagara Falls, June 20.—The Mexican delegation this afternoon received a dispatch stating that Gen. Villa had deposed President Carranza and proclaimed General Felipe Angeles president of Mexico. It is reported that Carranza is preparing to fight.

## RECEIVED THEIR FIRST RECOGNITION

London, June 20.—Militant suffragists were recognized officially by the British government for the first time today when a deputation of six women was received in audience by Premier Asquith. The premier showed a sympathetic bearing toward the delegates, who were all working women. He promised to consider their representation.

## UNPLEASANT END TO AN EXCURSION

St. Louis, June 20.—Three men are missing this morning as the result of the sinking of the excursion steamer Majestic, a large pleasure boat, on the Mississippi river a few miles north of St. Louis.

Rolla Wisner, the boat owner is missing. Two other members of the crew are missing. The Majestic was returning from Alton, where a thousand persons, including 100 telephone operators, had been on an outing. The Majestic collided with the new concrete water works intake tower and sank within a few minutes.

It is believed that all the passengers are safe. Many of the crew were in their bunks when the collision occurred.

## RESCUERS HOPE TO SAVE TWO SCORE

Hillcrest, Alberta, June 20.—Rescuers are today digging into the mass of wreckage about mine No. 23 where 197 miners were entombed yesterday. Fire is still raging in the main shaft. Out of 238 in the mine only 41 remain alive. Superintendent Quigley was today reported to be among the dead.

## HUNDREDS OF LIVES LOST IN PAPUA

Batavia, Java, June 20.—Over 300 people were killed today when a cyclone devastated the island of North British Guinea. Hundreds of houses collapsed under the force of the storm.

## HAD A FEW HOPES

Minister Naon will Try to Save Mediation

Washington, June 20.—Hope that the wavering mediation program still might bring peace to Mexico was expressed here late last night by Argentine Minister Naon, as he took the train for Niagara Falls, after a series of conferences with President Wilson and Secretary Bryan and Luis Cabrera, of the Washington agency of the constitutionalists.
